Mayor Fulmer suggested adding verbiage to the Town's ordinance regarding junk vehicles for the next meeting.

Police Department – in packet

Chief Kissam directed the Board to the traffic study that was conducted in connection with possible bringing in photo radar. Mayor Fulmer stated that it looks like the photo radar unit would pay for itself and help slow people down. Chief Kissam stated there is a 90-day trial period and the contract would be for 3 years after the 90 days. Attorney Parikh stated he would like to research this more, and requested the agreement be sent to him for review. Attorney Parikh stated he has other clients that have implemented photo radar, some with success and others where the program had to be terminated. He stated that there is no State statute that allows the Town to enforce unpaid tickets. Trustee vanZoeren asked how the photo radar topic came about. It was stated that Trustee Nehl brought it up last year, but it has taken time to get to this point. It was agreed that Trustee Ivanovic would contact the vendor to discuss it more.

Mayor Fulmer questioned the liability of the Town for kenneling a dog. It was stated that the site is clean and shaded and will be sanitized after each kenneling. Chief Kissam stated dogs would not be kenneled overnight, would be

temporary housing until the owner can be contacted.

Director McCune stated he would like to set flags put out on light poles along Highway 24, horizontally. He stated flags will be purchased with a pocket on the bottom that metal can be slid to stabilize the flags.

The issue of illegal dumping at the brush pile was discussed. Director McCune stated the trail cameras that were installed catch most vehicles. It was stated that rules on what cannot be put in the brush pile for burning needs to be enforced as CHPD is now in charge of issuing the burn permit. Chief Kissam stated he would like to see a flat \$500 fine for illegal dumping. It was suggested that prohibited items be removed from the sign and replaced with tree limbs only. A Town wide ordinance regarding illegal dumping/littering was suggested.

(Ord. 246, 10-5-2004; amd. Ord. 330, - -)

Could we place an addendum, stating that if a vehicle is visibly in the act of restoration or repair it may not be subject to the Junked Vehicle Code as long as there is weekly repairs done and or movement of said vehicle. Trees growing though the frame and body is not a vehicle under repair or restoration. It is under the supervision of Code Enforcement to differentiate between a junked and a hobby vehicle through observations and reports. Based on time and movement.

What do the Trustees want me to enforce this Spring/Summer? My normal stuff like Trash, Trees, Weeds, Parking, ATVs, Dogs, Roosters, etc.?
