Items to Discuss

We did not get the grant for paving, curb and gutter and sidewalks on Pueblo. Paonia is the only town in Colorado that received funding. The next round for the BUILD grants is expected to be announced March 2026. Candice Payne at ECCOG said that the Feds said the next round may be a better fit for us to receive funding.

Simla Days Feedback

Most the feedback I received has been positive. Some vendors suggested having vendors set up at one time, but making the food trucks wait till later in the morning. I think the problem is people not pulling into their spot, unloading and parking, then setting up their displays. We also had people coming in at 6:30 while we were trying to set up the Town portion of Simla Days like the bounce house and carnival games. Enforcing the 7:30 AM to 8:30 PM set up time and 5-10 minute unload times would minimize the congestion.

I had some complaints about the bouncy house. Some bigger kids were jumping over the edges, too many kids in the bouncy house at one time, smaller kids were getting knocked around. We need community involvement to help monitor the events to prevent damage to the bouncy house or kids getting hurt.

Also, some kid (yes, my grandson), rode his bike through the Drama Club skits and the egg toss. We need to keep bikes out of Simla Days.

I'm thinking we should send an email to all vendors to see how they feel, was it worth their time to come out, will they plan on coming again next year, and get their suggestions.

I will be attending this meeting. I know at least one other person has responded. I will push for as much of this money as I can to come to Simla. Alleys are in bad shape. We have culverts from 24 to the meat locker that are clogged. Any other projects we can come up with that I can bring up at the meeting?

Dear Elbert County Community Leaders,

You are invited to participate in the Elbert County Community Working Group (CWG) for Sundance Solar!

We are Cypress Creek Renewables, a nationwide solar and battery storage developer and operator. Our solar and battery project, Sundance Solar, is located about 3.5 miles north of Kiowa along Kiowa-Bennett Road and is officially under construction as of late July. Upon completion in 2026, the energy produced and property tax revenue generated will stay within and benefit Elbert County directly.

As a company, we value and prioritize being good neighbors in the communities where we develop. The goal of the Community Working Group is to provide a platform for communication between Cypress Creek and key members of the community such as yourselves. We are asking for your feedback and recommendations on community investments, communication cadence and structure, Sundance Solar updates and anything else the group finds to be valuable.

Our promised donation commitment to the community is \$300,000 upon Sundance Solar project construction- loosely \$100k spend between Q4 2025- Q3 2026, \$100k spend between Q4 2026- Q3 2027 and \$100k spend between Q4 2027- Q3 2028. **The timing of deployment of funds and where the investments should go will be left up to this group**- members representing the community as a whole- and is the primary goal of the upcoming meeting.

Meeting details below:

- **Date:** Wednesday, September 17th
- **Location:** Bino's Pizza, Kiowa
- **Time:** 4:45pm **room is privately held until 6:30pm, so we are aiming to start as close to on time as possible!*
