Building Official/Code Enforcement – in packet

Nothing to add. There were no questions from the Board for Official Stegmaier.

Police Department – in packet – Chief Kissam was absent

Public Works - in packet

Director McCune stated that he had been contacted by a contractor inquiring about bulk water purchases and requesting a lower cost per 1,000 gallons. The Board stated that there would be no change to the price. Discussion was held regarding the amount of water the contractor would purchase and the amount the Town is allowed to withdraw annually.

Director McCune presented pricing for a new plow truck. Mayor Fulmer stated that he felt photo radar revenue would be an appropriate funding source for the purchase, and Trustee Ivanovic agreed. Trustee Nipple stated that she would like the Town to reach a point where revenue generated in one year is spent the following year and would prefer to wait until next year to purchase the truck. No action was taken regarding the plow truck.

Administrator Rapp stated that she has been working with Director McCune and Chief Kissam to replace all street signs within the Town and that photo radar revenue could be used to purchase the signs.

Director McCune stated he has started to teach a welding class up at the school. The Board stated there would be no adjustment to Director McCune's salary for the decreased hours worked by Director McCune. There were no questions from the Board for Director McCune.

CHIEF KISSAM'S REPORT

In addition to my other duties, I have been managing and maintaining production for the DACRA speed enforcement program. This includes creating and submitting policies and documentation necessary to remain compliant with approval requirements from the New York, California, and Virginia Departments of Motor Vehicles. While the cameras continue to be effective and productive, they have significantly increased the workload for both the Police Department and Town Hall. On average, processing and approving violations requires approximately four hours per day and the involvement of two officers.

House Bill 26-1009 requires all Colorado law enforcement officers to complete a Lethality Assessment Protocol (LAP) training developed by the Colorado Department of Law and requires all law enforcement agencies to implement LAP by July 1, 2027. We have begun the implementation process and are actively seeking training opportunities. The next steps include adopting a policy through Lexipol and establishing a partnership with an organization that can provide 24/7 victim services support in conjunction with our part-time victim advocate.

We are currently preparing our 2027 VALE Grant application and have submitted the required quarterly financial reports for the 2026 grant cycle. To date, we have successfully met two of the three grant goals established for the current funding period.

I submitted a letter of support to the Big Sandy School District in support of a grant application aimed at improving school safety and security measures.

The Parker Police Department and the Elbert County Sheriff's Office generously donated ballistic helmets and ballistic shields that, while nearing the end of their service life, fulfill an important equipment need for our department and enhance officer safety.

I have met with Axon representatives and am actively exploring improvements to our technology systems, including the potential addition of in-car dash camera systems throughout the fleet.

We are working closely with school and town administration on the implementation of House Bill 26-1318. Compliance with this legislation will require updated school zone signage, public education efforts, and increased traffic enforcement within designated school zones.

Additionally, I have begun the development of the department's 2027 budget and am working to identify future funding needs, equipment priorities, and operational goals.

Overall, these efforts continue to support the department's commitment to public safety, regulatory compliance, officer readiness, and community partnerships while preparing future operational and legislative requirements.

Simla Public Works Monthly Report

July 13-Aug 10, 2026

Wastewater

- July Wastewater samples submitted. Had elevated BOD.
- August samples submitted.

Water

- July Water samples submitted. Everything in compliance.
- August samples submitted.

Cemetery

- Emptied Trash as needed.
- Mowed as needed
- A family member called and said the temporary markers were missing from relatives gravesites. I believe they were buried over a year ago.
- Fire at cemetery, no damage to markers.

Burn Pile

- Pushed brush pile back as needed. Elbert County on Burn Ban, not likely to get a burn permit this summer. Working on expanding brush pile bays.

Trash

- Moved dumpsters as needed.

Parks

- Emptied trash cans as needed.
- Replaced leaking meter setter at Town Park, will need to replace concrete at some point.

Roads

- Kevin still practicing on grader.
- We need to order some cold mix to patch Pueblo.

Hope Community Center

- Catrina's drain backed up again. Also, a leak near the dishwashing sink soaked subfloor and joists.
- Performed daily walkthroughs, cleaned and restocked as needed.

- Three heaters in PW offices not working.

Items to Discuss

- With the lower funding from Lauren Bobert, can we do some of the projects with the Bobert Grant and use USDA loans for others. Perhaps get the new water storage tank built with the appropriations money and get the USDA loan to pay for the water treatment plant? Also, we have money in the building fund, can we use that to build the 30x50 water treatment building? As a way to increase revenue, we allow availability for water at a lower rate, but not for wastewater. We have at least 28 accounts paying availability only for water. If we charged for all water taps, like we do for wastewater, the difference between availability only and one minimum water bill is \$36.78 per month multiplied by 28 units would be \$1,029 per month extra revenue.
- We put in a water tap for Tye Amendt's new house on the hill west of Dollar General on Deer. He bought all the materials (meter pit, piping, saddle, corp stop and meter setter) and we did the tap, which I believe is a \$150 charge? How is the \$70,000 concessions in effect with no gas station in the works? Does he still need to pay the \$3,500 for the tap and the Town will put it in escrow so if and when a gas station gets built, we refund the money, or do we not collect the tap fee and if the gas station doesn't get built in a certain time frame, then he pays the Town back? I will say, so far, Tye is doing things to make it easier for Public Works in the future. He has already installed the sewer line with taps and a section of pipe coming off the taps. And his plan is to put all water taps in up to the meter pit, so when lots are sold, homebuilders can put the house in and dig to the meter pit and Public Works won't have to do any digging or meter installs.
- Brad Harr lodging tax is over \$1000 since we started record keeping.
- Carry over just as a reminder of things to come. Talking to CRWA circuit riders and CDPHE at the SRF Training, everybody is saying starting in 2029, CDPHE will start enforcing the new Discharge Monitoring Report requirements. This is what we had problems with in 2024. We will not be able to meet the new requirements. Our testing will go from \$3,000 a year to \$25,000 to \$30,000 and we will be in violation every month. We will need to either build a wastewater treatment plant or evaporative ponds. With the wastewater treatment plant, we will still have \$25-\$30,000 yearly testing.
