Items to Discuss

We did not get the grant for paving, curb and gutter and sidewalks on Pueblo. Paonia is the only town in Colorado that received funding. The next round for the BUILD grants is expected to be announced March 2026. Candice Payne at ECCOG said that the Feds said the next round may be a better fit for us to receive funding.

Hope Community Center HVAC Repairs

1. The unit on the north wall of the restaurant was repaired I will invoice that shortly
2. The unit in the ceiling of the restaurant needs a condensate pump the cost for that will be \$450 total.
3. I repaired the unit located in the first office in the police station by rewiring the water valve circuit.
4. I diagnosed a faulty capacitor in the unit for the police conference room total repair for that will be \$150
5. The chief's office unit has a faulty compressor cost to repair \$1500
6. The detectives office needs a control board cost to repair is \$1000

Bottom line \$750 is owed for the repairs and diagnostic done today.

\$3100 total to complete repairs in the police station or the prices I quoted for individual repairs if so desired.

Thanks, Josh Campbell
