UNFINISHED BUSINESS

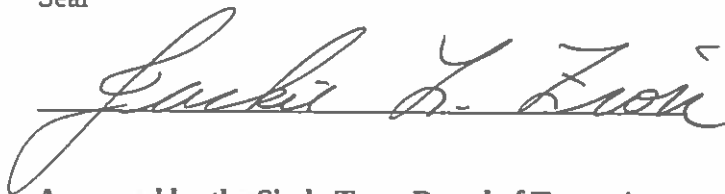

Water meters/ Utility Bills

There was discussion of the water meters and the utility billings. The board voted to go back two (2) months and give credit to the citizens who may have paid too much on their water bills due to the miss understanding of the increase of the base rate that was to be the annual CPI, and the increase to cover water project. This figure was carried over to the increase in water usage.

Meeting adjourned at 7:14 pm
